Name:		Project Group (Name/Number):				

This activity log is for you to document your individual contributions and ideas you have done towards your final group project. This will be submitted to your instructors along with your project code. You can document how many minutes you spent working on your code, when you had team meetings outside of the class sessions, or use this as a way to take notes for your own viewing. This is to be completed **individually.**

Week:	Date:	Activity/Task:	Time spent on Activity	Team Members involved (if	Completed?	Notes:
1	*15/10/2023*	*Attended kick off call, led the explanation on how to create branches, commits, pull requests and organised and finished Q1*	*3 hours*	*Alicia, Jac, Hannah, Michelle*	*yes*	
1	16/10/2023	Wrote the project guidelines and design, assigned everyone their code to do	30m		yes	
	17/10/2023	Wrote the API endpoints	3 hours	Hannah	yes	
2	20/10/2023	Group Meeting	45m	Whole Team	yes	
	23/10/2023	Refactored and fixed the bugs in the POST and PUT endpoints and the client side		Hannah		
		Added an interactive menu to the client		Hannah		
		Added an auto setup function for the config file		Hannah		
		requirements.txt		Hannah		
		The rest of my contributions should be better visible in the GitHub Commit history
